The screenshot shows the IBM Cloud console interface for creating a Kubernetes cluster. The browser address bar displays `cloud.ibm.com/kubernetes/catalog/create`. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user account (DURGADEVI R's Account). The main content area is titled "Kubernetes cluster" with a "Create" button highlighted. Below this, there is a section for "Plan details" with a "Pricing plan" dropdown set to "Free". A "Kubernetes version" section is also visible. On the right side, a "Summary" panel shows the "Worker node" configuration: "Free - 2 vCPUs 4GB RAM Virtual - shared Ubuntu 18". It also displays the "Total estimated cost" as "Free/mo" and includes a "Create" button. The Windows taskbar at the bottom shows the time as 07:45 on 08-11-2022.
